

DAN ANSTEY

Dan Anstey is a qualified electrical engineer and has an IQ of 134, making him officially a genius - but fortunately for us radio is where his heart lays.

It all began when Dan met Leon Murray in the hallway of Brisbane's community television station in 2007, where they teamed up to create the comedy movie review program **Reel2Reel!**. A year later they began working at Brisbane's Nova 106.9 together, handing out icy cold free stuff from the back of a panel van.

Leon left Nova in early 2008 but Dan hung in there, and began doing live crosses for Nova Brisbane's breakfast show each morning and anchoring a weekly Sunday night panel show. From here he landed his own program **The Dan Anstey Show** which aired weekdays from 1pm to 4pm until mid-2012 when he made the move to Melbourne.

Dan worked alongside **Hughesy & Kate** for breakfast 6-9am weekdays on Nova 100.3 in 2012 and 2013, and with **Fifi & Dave** every morning of the FOX FM breakfast show in Melbourne in 2014 and 2015.

In 2016, Dan returned as host of the second series of **Manspace** on Channel 9's GO Network.

Dan currently co-hosts **Get Up with Heather, Dan and Ben for Breakfast**, the new SeaFM breakfast show on the Gold Coast alongside Heather Maltman and Ben Hannant.
