

BRENDAN MACLEAN

Brendan Maclean is known as a singer-songwriter brandishing over ten million streams on Spotify for their original music and just as many views for his spectacular dance-heavy music videos.

Signed to Universal Publishing in 2014 after Brendan's debut single cracked through to a young online market, Maclean followed this up with *funbang1* in 2016: An electro-pop record that won over a queer Australian audience and found fresh international ears with multiple tracks licensed by Netflix and Hulu.

A thriving talent, Brendan has been nominated for an ARIA for their work alongside Marcia Hines in the disco musical *Velvet*, made a cameo in Baz Luhrmann's *The Great Gatsby* and is currently riding high after a superstar run as the titular roles in Australia's premiere production of *Jekyll & Hyde The Musical* at The Hayes.

Brendan Maclean has collaborated and performed with a myriad of impressive acts including Kate Miller-Heidke, Neil Gaiman, Amanda Palmer, John Grant and Alan Cumming and continues to release his own music alongside their blossoming theatre career.
