

JENNY TIAN

A regular on the Sydney comedy circuit, Jenny Tian exploded onto our #fyp during the pandemic notching up millions of likes and amassing a collective online audience of 900k+.

Last year she toured her debut solo show **Picture This** to sold out audiences up and down the east coast of Australia, releasing it as a YouTube special in November where it has already clocked up over 650k views.

Off the back of her debut success, Jenny secured a spot on the lineup for the 2024 **Melbourne International Comedy Festival Gala** and as a cast member in season 2 of **Taskmaster AU**.

Recently announced as a recipient of Screen Aus and YouTube's funding initiative, **Skip Ahead**, Jenny continues in her mastery of online content creation, even using it as material for her stand up shows. Her latest hour **Chinese Australian: A Tale of Internet Fame** sold out across Australia and has taken her to her first ever run at the Edinburgh Fringe.
