

NICK WHITE

Nick White is one of the fastest-rising faces in Australian comedy. With over half a million followers across social media, Nick is well-known for his impressions, characters and sketch comedy, which have earned him over 30 million likes on TikTok.

The Brisbane-born comedian spent a few years in New York City where he performed at Greenwich Village Comedy Club, The Comic Strip and Broadway Comedy Club, where he earned a residency. After leaving his career in architecture to pursue full-time comedy in 2022, Nick's first solo stand-up show had a sold-out run across Australia's east coast the following year. Nick's comedy has also made an impact abroad, and in 2023 he performed a sold-out run of shows in London.

His work has been featured on *HuffPost*, *The Independent*, *Junkee* and you have probably heard his lovely baritone voice on the *triple j* airwaves.

Nick's brings his new live show – *Teenage Dream* – to Australian audiences in 2024, where he looks back on the things that have shaped him from his youth to now; the good, the bad and the seriously random XD
