

## LIAM MOORE

Liam Moore is no stranger to your fuse box or your social media feed – known for both his skills as a sparky and his online antics alike.

After appearing in multiple viral videos with ***The Inspired Unemployed***, the crew garnered a devout following for their variety of sketches and pranks. In 2023, Liam and childhood friends Jack Steele, Matt Ford, and Dom Littrich took their unique brand of comedy to streaming giants Paramount+ and Channel 10, where they helmed the hit series ***The Inspired Unemployed (Impractical) Jokers***. Following the first season's success, Liam and The Inspired Unemployed team have been busy filming a follow-up season due to air in 2024.

Outside of ***The Inspired Unemployed***, Liam has worked on bespoke social campaigns with brands such as Better Beer and put his entertainment skills to use performing live with musicians such as 'Big Twisty & The Funk Nasty' at prestigious festivals and venues such as iconic Sydney bar The Landsowne Hotel.
