

## KLAUS BANA

Klaus Bana is a Melbourne-based aspiring filmmaker and recent graduate of the Victorian College of the Arts.

Passionate about cinema since early childhood, he hopes to forge a path as a writer/director in Australia, with a keen focus on the macabre and surreal.

He is a keen foodie with a deep interest in history and a love for his home city, Melbourne.

If filmmaking doesn't work out, he's going to try to become a counterfeit wine salesman based somewhere in Eastern Europe.
